14. Non-Action Discussion.
15. Adjourn into Closed Session for the Purpose of Interviewing and Evaluating Candidates for Police Department Administrative Assistant per WI Stats. 19.85(1)(c).
16. Adjourn.

IF UNABLE TO ATTEND, PLEASE NOTIFY: Kristen Jacobson

PHONE: 485-3500

DATE POSTED: 7/14/2021

TIME POSTED: 1:30 p.m.

It is possible that members of and a possible quorum of members of governmental bodies of the municipality, other than the Personnel & Finance Committee, may attend the above event. No action will be taken by any governmental body, other than the Personnel & Finance Committee, at the above event.

**Oak Hill Cemetery Association – Horicon**

**Members of the City Council**

**Members of the Finance Committee.**

**We request, at this time, the budgeted \$7,500.00 so the necessary bills, salaries, etc. may be taken care of as they become due.**

**Thank You for your approval.**

**Sincerely,**

**Dennis R. Dehn  
Secretary/Treasurer**

**Dated: 18Jun2021**

**News – Notes – and Items of Interest.**

- 1. The number of burials are down from last year. About 43% were cremation burials of the 7 burials so far. In 2020 we had 10 burials at this time of the year, with 70% full burials.**
- 2. The Cemetery Board currently consists of Jerry Bunkoske (President), Lloyd Wagener (Vise-Pres.), Bruce Spittel, Ralph Muenchow, and Rich Greshay hold trustee positions for 2020-2021. I will continue to be the Secretary Treasurer. My lead man is Marc Kreger, and working under Marc is Gregg Buhalog and John Hesprich plus Dave Aschaker is our fill-in guy. We recently started Jim Weber as a fill-in to replace John Hesprich in the fall, so John can go back to full retirement.**
- 3. Memorial Day cemetery flowers went well for 2021. Jerry Bunkoske again delivered a beautiful group of about 75 flowers to plant. The entry area takes a bunch, then the 2<sup>nd</sup> main flower stop is the Veterans Memorial area. The remaining flower locations are based on an old listing created years ago. They are very hearty plants, so we should get a lot of millage out of them. Thank you Jerry and the cemetery crew for all the effort you put into this annual task. The extra watering required this year has been a real challenge. Marc Kreger thoughtfully came in on a Friday just to water the flowers for the weekend. Thanks Marc.**
- 4. Currently the burial plots are \$500 to be in line with local cemeteries. This has been in effect since Jan2020. One plot can hold (2) cremation burials, or one full burial plus one cremation burial. We started requiring a cremation vault in December 2015. No changes were made to the burial fees.**
- 5. The pump house East door is scheduled for a 2<sup>nd</sup> coat of paint. We hope to address this soon.**
- 6. A couple fence boards needed attention. A back side splint with screws did the trick along with a coat of paint. We have another that may soon need replacement, but a new coat of paint put a temporary fix on the issue. We will take another look at it in the fall.**
- 7. We had a very large Oak branch fall to the ground, but was still attached to the main trunk of the tree 10-12 feet up. I asked the cemetery guys to stay clear, and discussed the options with Tim Kingman. With the limited cemetery tree budget, Tim agreed to tackle the task. I was very grateful, as I am still working a replacement for the semi-retired Frank Owens. The last time I talked with Frank, he wanted to limit his business to lawn rolling and stump grinding.**
- 8. The tree branch, mentioned above, also tipped over a large headstone when it fell. We do not think the headstone is damaged, as it is laying flat on the ground next to the base. I called Kent @ Archie Monuments, and they agreed to re-set the headstone on the next trip to Horicon at no charge. They have done this in the past, and all will soon look like new. We are very lucky to have a Archie Monuments connection in Dodge Co. Kent is the owners' son with an office in Juneau and the home base in Watertown. Kent is the owners son.**
- 9. We recently had Oak Hill's 1<sup>st</sup> open casket visitation at the cemetery. All went well as the weather cooperated and gave them a perfect day. To allow cars to come and go, we allowed them to park on the grass. The lack of rain allowed this to happen with no sod damage.**
- 10. Due to the COVID-19 pandemic, all John Deere tours were put on hold corporate wide. The tours remain on hold and the main person behind the Horicon tours transferred to another factory. No changes were made to the cemetery web site, so the following link will look the same as last year. <https://cityhoriconwi.us/260/Oak-Hill-Cemetery>**

# PROPOSAL/CONTRACT

Town & Country Underground Utility Construction, Inc.

### WISCONSIN CONSTRUCTION LIEN LAW

As required by the Wisconsin Construction Lien Law, builder (Town & Country Underground Utility Construction, Inc.) hereby notifies owner that persons or companies furnishing labor or materials for the construction on owner's land may have lien rights on owner's land and buildings if not paid. Those entitled to lien rights, in addition to the undersigned builder, are those who contract directly with the owner or those who give the owner notice within 60 days after they first furnish labor or materials for the construction. Accordingly, owner probably will receive notices from those who furnish labor or materials for the construction and should give a copy of each notice received to his mortgage lender, if any. Builder agrees to cooperate with the owner and his lender, if any, to see that all potential lien claimants are duly paid.

THIS PROPOSAL/CONTRACT IS SUBJECT TO THE TERMS AND  
CONDITIONS SET FORTH ON THE REVERSE SIDE

Page \_\_\_\_ of \_\_\_\_

**General Provisions:**

Any notice required or permitted under this Proposal/Contract may be given by Registered or Certified Mail at the address contained in the Proposal/Contract.

Owner/Buyer cannot assign this Proposal/Contract or responsibility of payment to any party without the written consent of the Contractor.

Any controversy or claim arising out of this Proposal/Contract that cannot be resolved, is subject to arbitration according to the rules and procedures of the American Arbitration Association. If any party does not appear at the arbitration proceeding, the arbitrator is empowered to decide the controversy in accordance with whatever evidence is presented by the party(ies) present. In addition to any decision rendered as a result of such arbitration, the prevailing party(ies) shall be entitled to recover against the unsuccessful party(ies) the reasonable costs of such arbitration, including, but not limited to attorney's fees.

If any party under this Proposal/Contract becomes involved in litigation arising out of this Proposal/Contract, **the venue for such litigation shall be Dodge County, Wisconsin**, and in addition to any judgment resulting from such litigation, the prevailing party(ies) shall be entitled to recover against the unsuccessful party(ies) the reasonable costs of such arbitration, including, but not limited to attorney's fees.

This Proposal/Contract shall be construed in accordance with, and governed by the laws of the state in which the project is located.

Unless this Proposal/Contract constitutes the entire agreement of the parties. Absent such written modification, any different or additional terms shall be of no effect.

**Prior Dealings:**

The Contractor and the Owner/Buyer agree that there are no understandings, agreements, representations, or warranties, express or implied, not specified herein, respecting this Proposal/Contract and that this contract contains the entire agreement between the Contractor and the Owner/Buyer, and that consequently no prior dealings, no usage of the trade, and no subsequent course of performance between the Contractor and the Owner/Buyer shall be relevant to supplement or explain any terms used in this Proposal/Contract.

**Warranty:**

The Contractor warrants to the Owner/Buyer that all materials will be as specified and that all work will be free of unusual defects, in workmanship and materials, and in conformance with the Proposal/Contract. Contractor may substitute materials without notice to the Owner/Buyer in order to allow the work to proceed provided that the materials provided are of no lesser value than those specified in the Proposal/Contract. **THE CONTRACTOR MAKES NO OTHER WARRANTY, EITHER EXPRESS OR IMPLIED, EXCEPT THAT WHICH IS SET FORTH ABOVE.** The Contractor will not be responsible for any consequential damages, including but not limited to those arising from loss of anticipated profits, loss of products, increased cost of operation or materials.

**Unknown Conditions of the Premises:**

Once the Contractor has entered into this Proposal/Contract, and discovers unusual conditions or obstructions above or below grades that were not evident at the time of the site inspection, either of which requires a change in work, the Contractor may increase the price of the job as required. If the Owner/Buyer fails to disclose to the Contractor any facts that a reasonable Owner/Buyer should realize are important to the Contractor, and these facts require a change of work, the Contractor may increase the price of the job as required. Any price increases will be paid for by the Owner/Buyer at the regular price therefor.

**Excusable Delays:**

The Contractor shall not be liable or responsible for any delays in, or failure to complete delivery, commencement of work, installation, or completion of installation, or work of all or any part of the materials or services, if such failure or delay is due to inclement weather, fire, floods, water damage, or other casualties, shortages of labor or labor disputes, governmental regulations, inability to obtain supplies, raw materials, and services through the Contractors' regular sources of supplies, or any cause beyond the control of the Contractor.

**Overtime:**

Unless otherwise specified herein, all engineering, shopwork, site work, installation, or other work required under this Proposal/Contract shall be done on a one-shift, straight time basis. If the Owner/Buyer requests overtime, weekend, second or third shift work, which request is accepted by the Contractor, the Owner/Buyer shall compensate the Contractor for the additional cost paid by the Contractor on the basis of actual overtime, bonus or shift premiums paid, plus applicable federal and state taxes, compensation and liability insurance premiums, union fringe benefits, and an administrative and overhead charge of fifteen (15%) percent as well as a profit of ten (10%) percent of the foregoing.

**Payments:**

Upon substantial completion of the work or designated portion thereof and upon application by the Contractor for final payment in the form of an invoice or draw request, the Owner/Buyer shall make payment, reflecting reasonable adjustment in retainage, (not to exceed 5% of the Proposal/Contract) if any, for such work or portion thereof not completed as provided by the contract documents.

Moreover, if Owner/Buyer fails to provide payment as outlined above, the Contractor will have the option to cancel all warranties in relation to the work provided including labor and materials. Warranty service will be resumed upon payment of balance due plus interest due as outlined above.

**Substantial Completion:**

Substantial completion will be defined as the stage in the progress of the work when the work, or designated portion thereof, as shown in contract documents, so the Owner/Buyer can occupy or utilize the work for its intended use. Owner/Buyer agrees to sign a Notice of Substantial Completion within five (5) days after receipt of invoice or draw request for final payment, as outlined above. If project passes final inspection of municipality as required by law, and the Owner/Buyer does not sign the Notice of Substantial Completion, the Contractor may act as the Owner/Buyer's agent and sign said document.
